0 0.5 1km

- Jabitj (Running Water) trail
- Kurliny tjenagitj (Come and See) trail
- Sika trail
- Mountain bike trail
- Proposed Munda Biddi mountain bike trail
- Sealed road
- Unsealed road
- Major recreation sites

Trails in Wellington National Park

Walkers and cyclists share use of the Sika trail and parts of all the other trails. Cyclists, please slow down and respect other users.

Jabitj walk trail - 6km (12km return)

Kiosk to Honeymoon Pool is 6km one way, 12km return. Allow about 2 hrs each way for this relatively easy walk along the Collie River through mature forest, granite outcrops, river pools and rapids.

Kurliiny Tjenangitj walk trail - 5 km return or 9.5km loop

Honeymoon Pool to the lookout and return is 5km. The entire loop trail 9.5km.

Follow the Jabitj trail to the start of this trail. A steep climb takes you to a lookout over the jarrah forest and Collie River. You can then either return or continue to complete the loop. Watch for cyclists.

Sika dual use trail - 9.8 km return

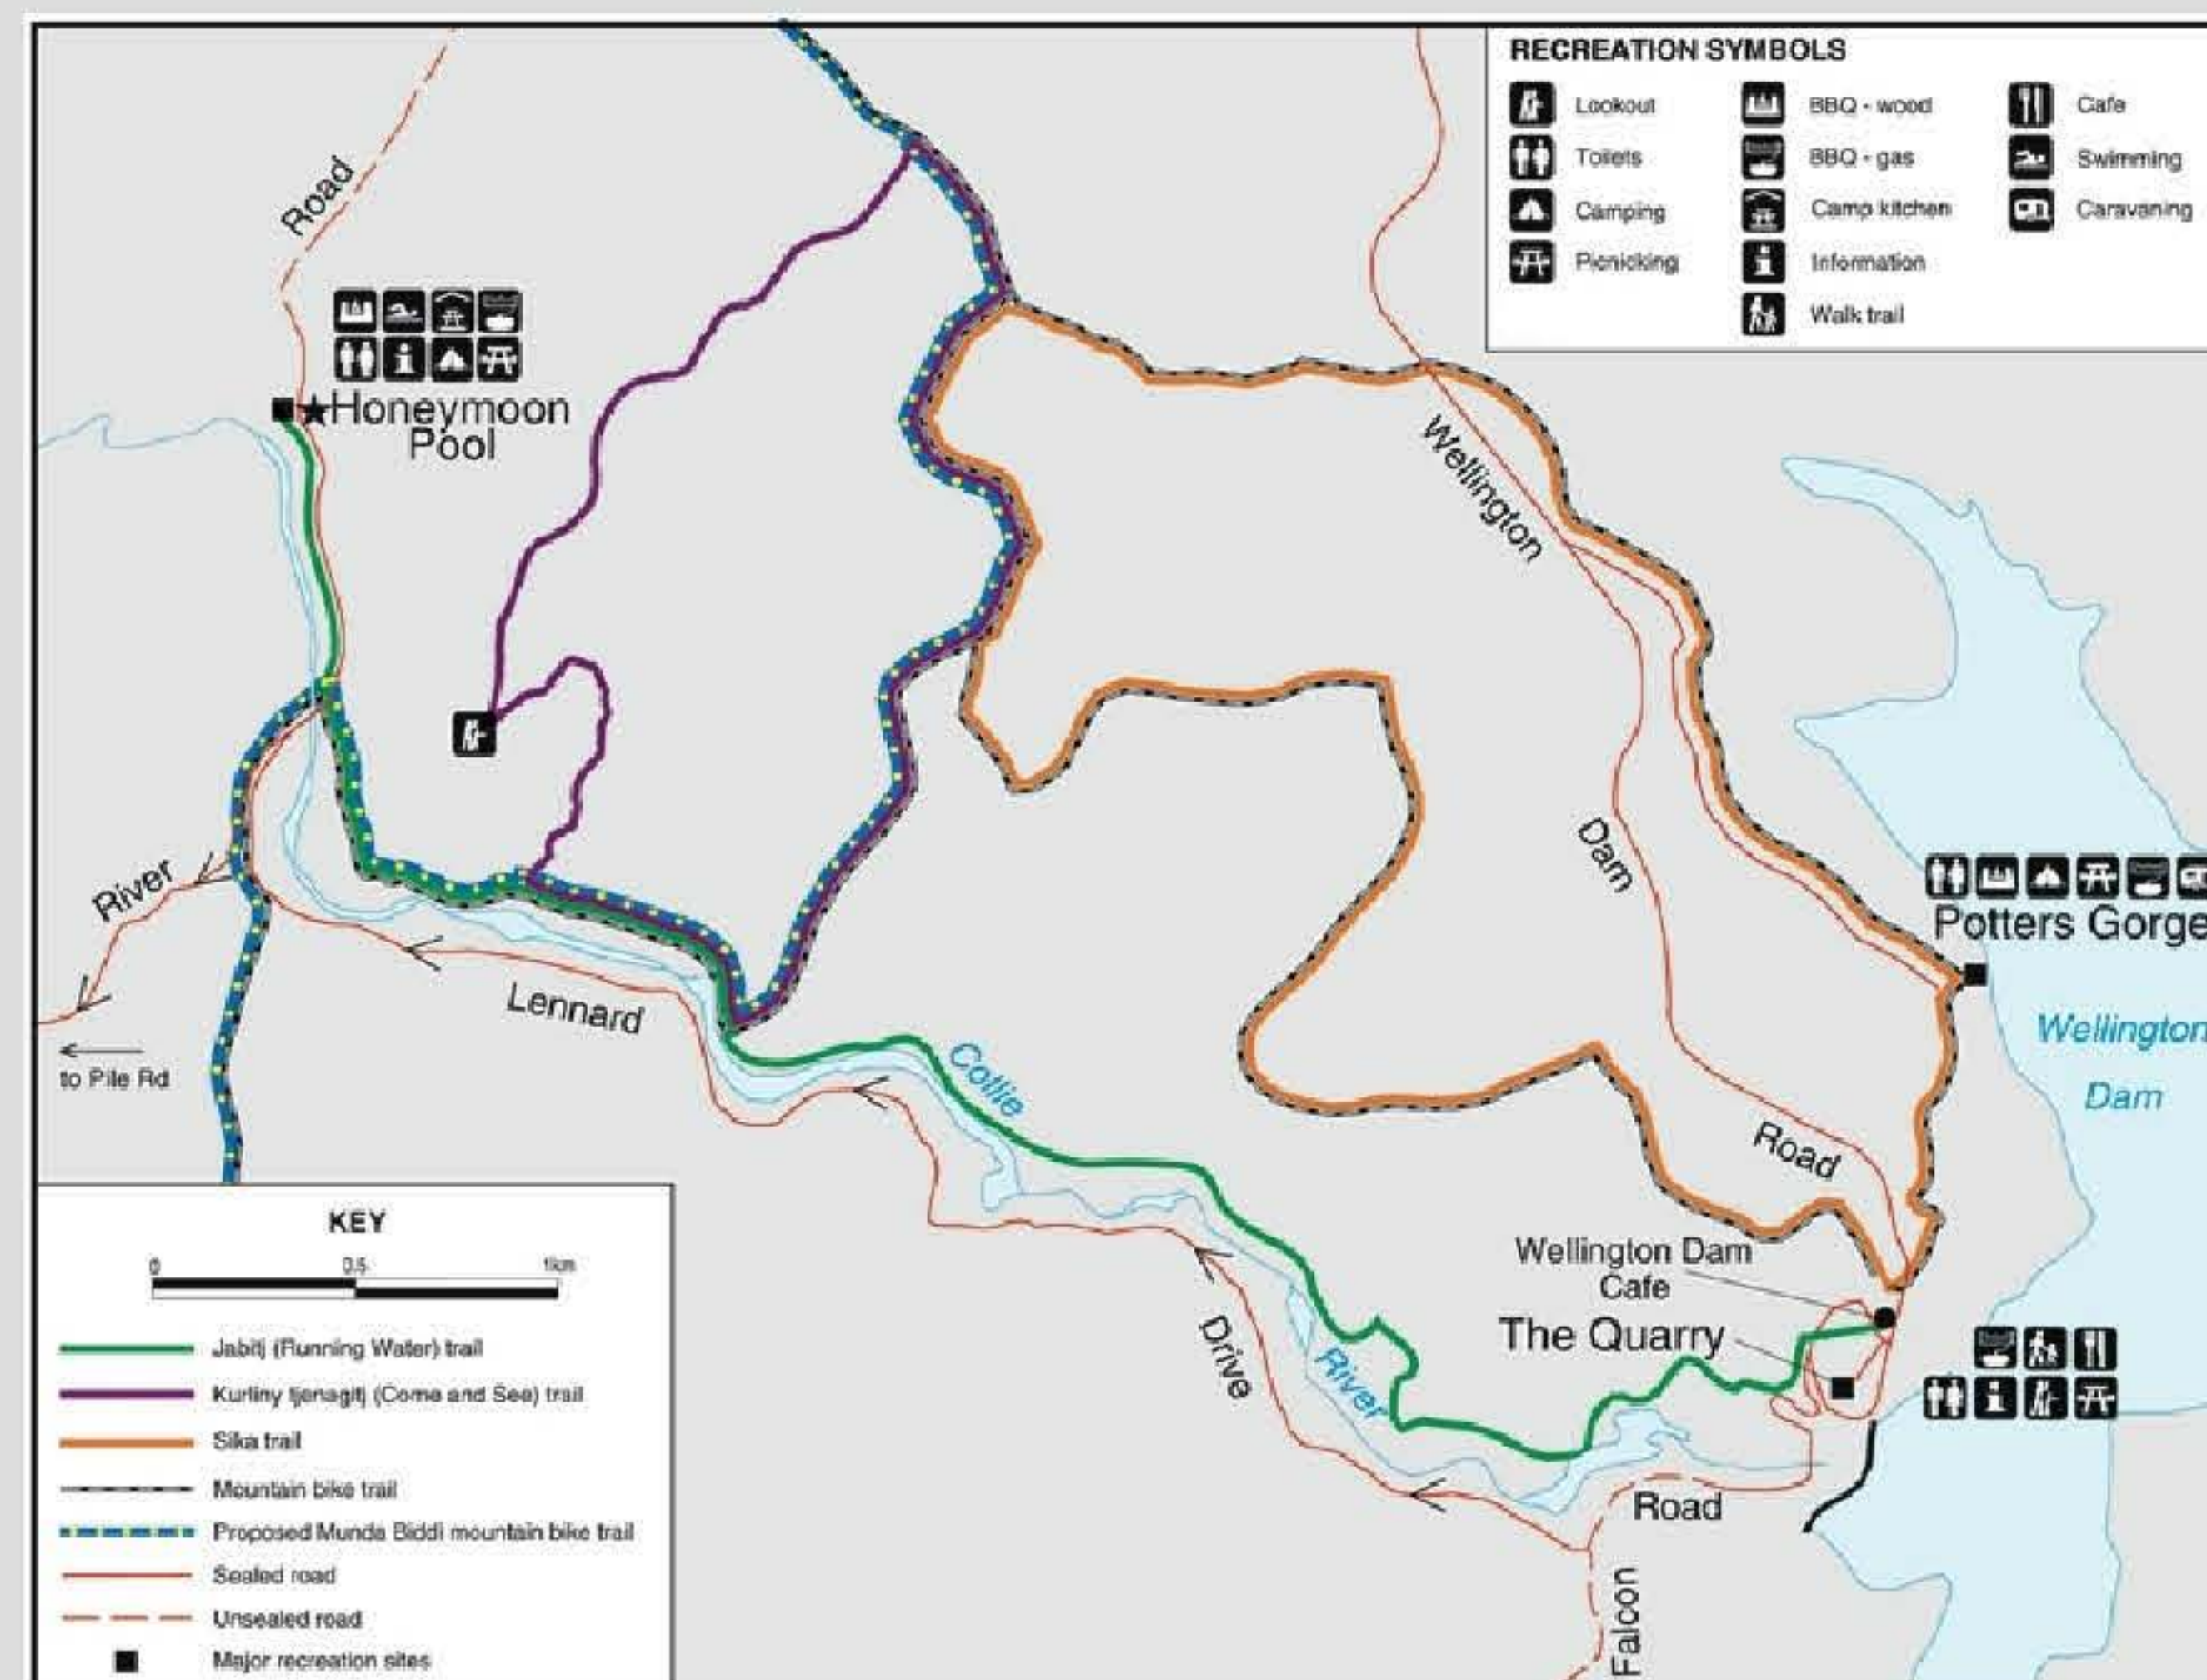

This walk and cycle trail will take you through jarrah forest with views of the Collie River valley.

Munda Biddi cycle trail

This long distance cycle trail will eventually stretch from Perth to Albany. In 2005 the trail and shelters were completed to the north of Collie.

You can also cycle at the Mount Lennard Mountain Bike trails. These start from Lennard Road just off Pile Road, access from River Road.

Jabitj - pronounced Jabich, Noongar for rivers edge

Kurliiny Tjenangitj - pronounced Kurlin cheningen, Noongar for come and see
